MEMORANDUM FOR: Director of Administration

SUBJECT : Attached Memorandum from [redacted]
Ramo-Wooldridge Field Engineers

25X1A

I imagine this is a real requirement and that we
should make the formal request to the contractor that is posed by
[redacted] I should think, however, that we would limit to one,
or at most two, the number of detachments which would make use of
the System No. 4 equipment, so we should not need more than two
field technical representatives.
